Coho (Adults)	October 3 - Oct. 15, 1983	Spawning (> 12)

Comments: Please provide any clarifying information in addition to identification on Anadromous Waters Catalog Public Review Maps.

Drafted  
New 1/84

Stream flows year round general N. to S. direction. Small coho observed  
all year. Fish observed from 11580 Mendenhall Loop road above crossing  
of Mendenhall Loop road. Stream should be surveyed before 1984 construction  
season as housing development is planned upstream from Loop road.
